

WE ARE

BOY SCOUTS  
OF AMERICA®  
MONTANA COUNCIL

2015

# PREPARED. FOR LIFE.

2015 WAS ANOTHER BANNER YEAR for scouting in Montana. Again, we achieved GOLD status in the Journey to Excellence. We served nearly 8,000 youth and their families, recorded more than 50,000 hours of service in our communities and welcomed over 1,700 scouts and volunteers to our summer camps, high adventure base and council outdoor activities. With the help of more than 3,600 adult volunteers, we delivered the Scouting program to scouts throughout the state and beyond.

The officers and staff of the Montana Council know that none of this is possible without the dedication of everyone who is part of Team 315 (the Montana Council), whose efforts, hard work and passion make scouting work. There is no way to appropriately recognize everything you do. This publication was created to help us recognize some of that hard work as well as remind all of you that your efforts are appreciated.

You are all heroes!

Sincerely, the Montana Council Staff

# 2015 NATIONAL YOUTH LEADERSHIP TRAINING

## Nick Kajin Award Winners

EAST – TYLER BORTZ

WEST – NATE JOURDONNAIS

The Kajin Award recognizes an outstanding youth staff member who exemplifies the Scout Oath and Law and goes above and beyond providing leadership to the course and staff. This award is named after Nick Kajin, a favorite NYLT staff and OA member who died in a car accident returning from an OA event. The award recipient is chosen by fellow staff members at each NYLT course. The winner receives a custom knife and gets his name added to the Kajin Award plaque in the Great Falls office. A hearty congratulations to Tyler and Nate for exemplifying the Scout Oath and Law and giving back to other youth in the program. Well Done!
