Learn more about Boy Scouts in Richland County

Feb 4, 2021

The Scouting program is more than just an activity for our youth to learn about the outdoors. Scouting provides fun, fellowship and training to our youth as well as youth in our community. It emphasizes honesty, self-reliance, and respect. Through a year-round program, it affects character, citizenship and personal fitness. But the success of our Scouting depends on our volunteers who serve in a variety of leadership roles. As the Boy Scouts of America celebrates its anniversary, we honor all the members of the Boy Scouts of America and salute the volunteers who serve in positions of leadership.

If you know of any boy ages 12-18 that would like to be part of Pella Lutheran Church Troop 141, please contact Scoutmaster David Christensen at 489-7502.

From Left to Right are Assistant Scoutmaster Haans Halvorson, Scoutmaster David Christensen, Mayor Rick Norby, Boy Scout Troop Members Corey Christensen, Christian Lassey and Isaac Lassey.

Gabriella Reads Over 1,000 Books Before The Age Of Three

Submitted by Kelly Realg, MBA Director Gabriella Coon completed the 1,000 reading book challenge on Jan. 21, 2021. She is two and a half years old and likes reading all types of books. Her favorites are the textured books where you can feel the items being read about and the flipside books that reveal what is hidden. Mom (Karna) and Dad (Mathew) read her two books a night during the program and will continue the same since Gabby loves reading so much due to this wonderful program.

To encourage a love of reaching in children like Gabriella, the Sidney-Richland County Library is promoting "1,000 Books before Kindergarten", a nationwide program that encourages parents and caregivers to read aloud with their children every day. Research continually shows that children who are read aloud to every day before kindergarten will have higher scores and more success when they begin school. Most importantly, sharing books with children promotes a lifelong love of books and learning.

The theme of the Sidney-Richland County Library program is "The Magic of Reading". Children receive a small prize at each 100-level milestone, and at the end of the program participants earn a certificate and t-shirt for successful completion. This program is free to children ages 0-4 and their families. Stop by the library to sign up today!
