

WHEN YOU GIVE TO SCOUTING

You help young men and women grow into inspired leaders. You invest in a child's future by supporting a safe, high-quality program that teaches the importance of serving others, civic engagement, blends recreational and educational activities urging youth to explore the outdoors, try new hobbies, learn new skills, and build relationships with families and friends.

ADVENTURE & DISCOVERY

Scouting takes a family places they never thought possible. From outdoor adventures in the wildest of places or exploring through STEM and the creative arts, Scouting provides the tools for safe adventure and discovery.

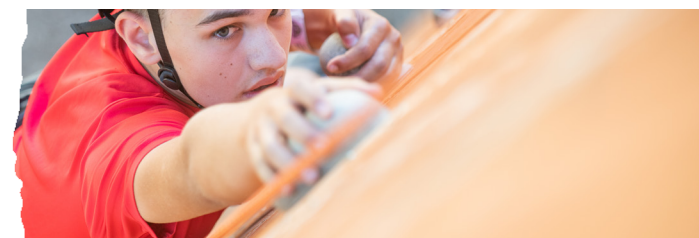

BUILDING CHARACTER & LEADERSHIP

Youth in the Scouting say it helps them be more honest, improves their ability to work with others, helps them become stronger team players, and better understand and sympathize with those less fortunate. It's true that tomorrow's leaders start in Scouting.

SKILLS

Through Scouting programs, young men and women learn a variety of skills that prepare them to confront challenges through their life. We've seen over and over through acts of heroism; a Scout is always prepared.

VALUES

Scouting instills honor, integrity, good conduct, respect for others and honesty, helping build youth of character to become the best versions of themselves. It's demonstrated through countless adults who have been through the program, a Scout is the first to give back to their community through service, donation, and leadership.

COMMUNITY IMPACT

When you support Scouts, you're not just investing in today; you're fostering the thought-leaders and change-makers who will be the ethical, civically-engaged and compassionate leaders of tomorrow.

"The real way to get happiness is by giving out happiness to other people."

– Robert Baden-Powell –
