

CUB SCOUT PACK 100-POINT ADULT PARTICIPATION FORM

Cub Scouting is a family program. Every successful pack depends on parents and caregivers sharing their time and talents to create a fun, safe, and meaningful experience for all Scouts. **Each family is asked to commit to at least 100 points of volunteer service during the year.**

- Please consider selecting at least one role from Section A before choosing options from Sections B or C, as these positions are essential to delivering a strong program.
- You may combine multiple roles to reach 100 points.

Your involvement directly impacts the quality of the program your child receives. When each family contributes, no one person carries the full load—and our Scouts benefit from a stronger, more engaging experience.
